

## 1st LHASA APSO WORLD CONGRESS - LAWCO

Valkenburg, 25 September 2020

Int. Dogshow Maastricht 26-27 September 2020

**September, 2018**

**Letter from the Chairman Mr. Frank van Tatenhove and Hon. Secretary Mrs. Nevenka Skavic**

To Whom It May Concern,

Hereby we would like to invite all Lhasa Apso fanciers, breeders and judges to join our 1<sup>st</sup> Lhasa Apso World Congress to be held on 25 September, 2020 at Congress centre Cafe Cascade in Valkenburg, Netherlands during the International Dogshow Maastricht at the MECC.

With nearly 50 pre-registrations received so far, it is a great pleasure knowing that even in this modern, rapidly changing world, there are still Lhasa Apso breeders who respect the history of our beloved breed and use their knowledge and experience to breed the classic type of Lhasas with a modern touch within the Lhasa Apso breed standard.

As the key to success lies in joint actions, Lhasa Apso breed clubs should promote mutual cooperation, exchange of knowledge, experience and best practises of the breed to preserve the quality and integrity of the Lhasa Apso throughout the world for future generations.

The time when authoritative pioneers educated us and those eager to learn is far behind us, as the Internet took over their role, while digitally manipulated photographs, fake stories and unknowledgeable advices have taken a toll. Breeders need to be well educated through the expert theory and practise because life experience cannot be learned on-line.

With this in mind, the undersigned enthusiasts - breeders as well as judges, Operating Board members and others supporting this cause have gathered behind the initiative of running the 1st Lhasa Apso World Congress.

We would highly appreciate your support by publishing the announcement enclosed to this email on your website and Facebook/Instagram pages and circulate it to your members.

Furthermore, everyone is welcome to suggest topics that, in their opinion, need to be discussed during the Congress and send them to our email address.

Thank you in advance for your time and willingness to support our cause.

*Mr. Frank van Tatenhove, Mrs. Nevenka Skavic, Mrs. Glenys Dolphin, Mr. Christofer Habig and Mr. Paul Stanton*
